

Case Study - Commercial

Klynstone, London

Project Specifications

Product Specified: RezTred®

Colour Specified: 16 Black

Sector: Commercial

Project Description

There's not much that beats a stunning staircase!

Klynstone, in their brand new showroom installed a beautiful quartz staircase and it needed slip resistance!

RezTred® is a simple system that provides the best solution for slips and falls on potentially slippery surfaces.

It's installed by firstly cleaning the desired area, then laying out the provided template.

Installing the resin couldn't be easier, simply apply and follow the instructions regarding curing times.

Peeling away the template reveals a neat, safe and simple solution to slips and falls – it also looks amazing!

RezTred® is a simple system that provides the best solution for slips and falls on potentially slippery surfaces.
