### Aiken Village, Sandyford

#### Project Specifications

Product Specified: NTC12.01

Colour Specified: White

Sector: Commercial

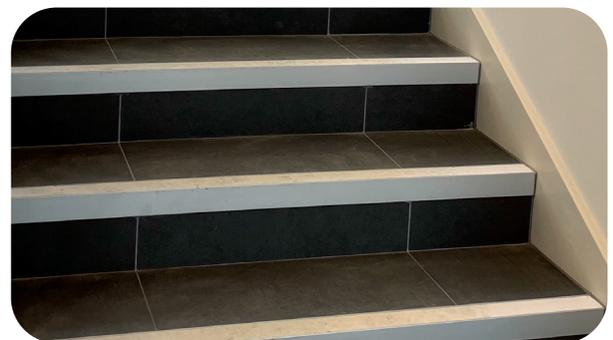

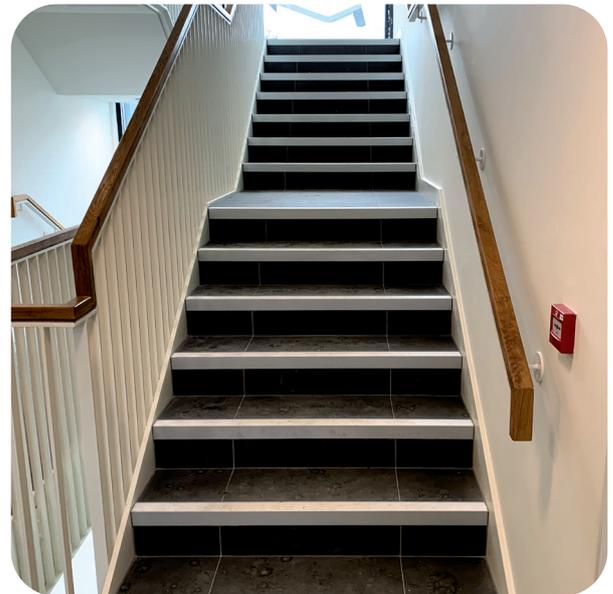

#### Project Description

Frank Aiken was a founder member of Fianna Fail and lived in Sandyford.

Aiken's village is built on what was his land and is now one of the biggest business parks in Ireland.

Genesis supplied NTC - this heavy-duty aluminum tile-in nosing offers a cost-effective alternative to ceramic treads. The nosing was used to accommodate a flush finish between Porcelain tiles and the step edge. White was used to ensure LRV variance of 30 points was achieved.
